Mrs. BOXER. If you go through this, you will see in the largest State of the Union, which is suffering with an 11.2 percent unemployment rate, projects that are putting people to work today and doing good things. There is a medical assistance program; a clean water State revolving fund grant; a State energy program, which is putting people to work; weatherization assistance for low income; working with the youth; and it goes on and on. There are safe drinking water grants, a law enforcement grant, adoption assistance grant, and a foster care grant.

Why is my colleague not coming down here and saying he did find less than 1 percent of a problem, but these other things are good, and these other things are putting people to work and they are saving our children, saving our environment, and saving energy?

It is the party of no. No, no, no, a thousand times no. The American people understand that we on this side of the aisle, and our President, in reaching across the aisle, are going to continue to work for change. Change means getting out of this mess we are in right now—this deep recession. We are going to continue to do it. They are going to say no, no, a thousand times no. We will work with them when they want to work with us. If they don't, we have to figure out a way to bring the change and jobs to America, the energy efficiency to America, and all that is good that the American people deserve.

CONCLUSION OF MORNING BUSINESS

Mrs. BOXER. Madam President, I ask unanimous consent that morning business be closed.

The PRESIDING OFFICER. Without objection, it is so ordered. Morning business is closed.
